Our Story

Founded in 2019 by a Peoria lifer, MySuiteSpot started with one unit: a house near Bradley University.

The MySuiteSpot team furnished the entire house and upgraded the amenities like furniture, decor, cutlery, and bedding.

The response from guests was overwhelmingly positive.

Having success and sensing the growth in Peoria even in the midst of COVID-19, the team realized a growing need for affordable temporary housing options in Peoria. Thus, the team sought to provide the same high-quality experience in other areas of Peoria.

MySuiteSpot continued to grow and now offers over 70 furnished homes and apartments in Peoria, Peoria Heights, East Peoria, Pekin, and Bloomington areas.

While our stay options are spread across Central Illinois, our commitment to high-quality amenities is consistent across all listings.
